From: **The Chestnuts, St Peter's Road**

We would like to thank so many of you for attending our
open evening back in December. We were very touched
by the many kind offers of support for our work at The
Chestnuts and over the coming weeks we will continue
to discuss our inclusion within village life here.

We have now concluded our CQC inspection and within
the next week we expect to receive our official licence to
operate and finally open the doors to our first clients.

Car Parking remains a key concern for the village and
ourselves. However, I am pleased to announce that we
have secured parking availability at Little India. You will
no doubt have seen an abundance of cars during our
staff induction week, but rest assured this volume of
vehicles is a one off.

The company senior management team are still actively
seeking a property to rent in the village to enable us to
stay over frequently and to also provide some much-
needed space to quietly work. If anyone is interested in
renting a house or similar in the village, please don't
hesitate to contact Steve Jones directly by email at:
Steve@stepstogether.rehab or telephone the centre on:
0116 326 6704.

Once again, our thanks to you all for your continued
support and we look forward to 2019.

Road Closure – Robert Hall Road – Tues 22nd January

Leics CC will close the road and prohibit parking in Robert
